George Washington was a famous American leader. He was born in Virginia on February 22, 1732.

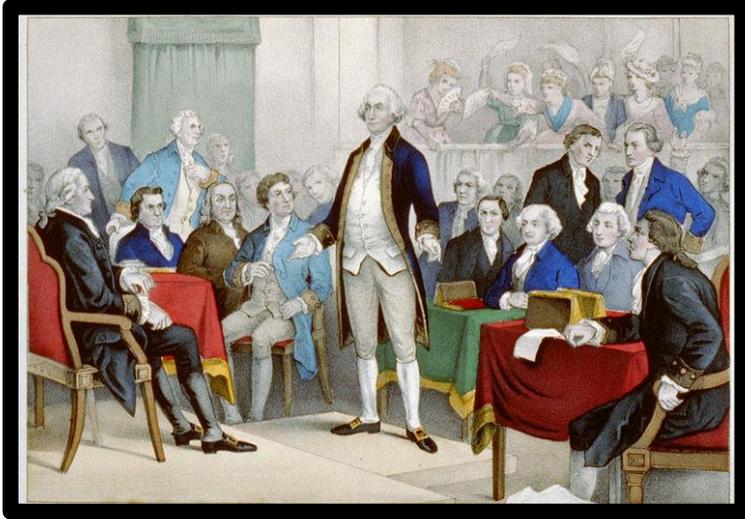

George and Martha Washington had a fancy home in Virginia. It was called **Mount Vernon**. They were very wealthy plantation owners.

Washington was the leader of the U.S. military during the American Revolution.

The American Revolution was a war with Great Britain. The United States won the war. The United States was a new country.

The United States needed a new government. The new government was made at the **Constitutional Convention meetings**. George Washington was in charge.

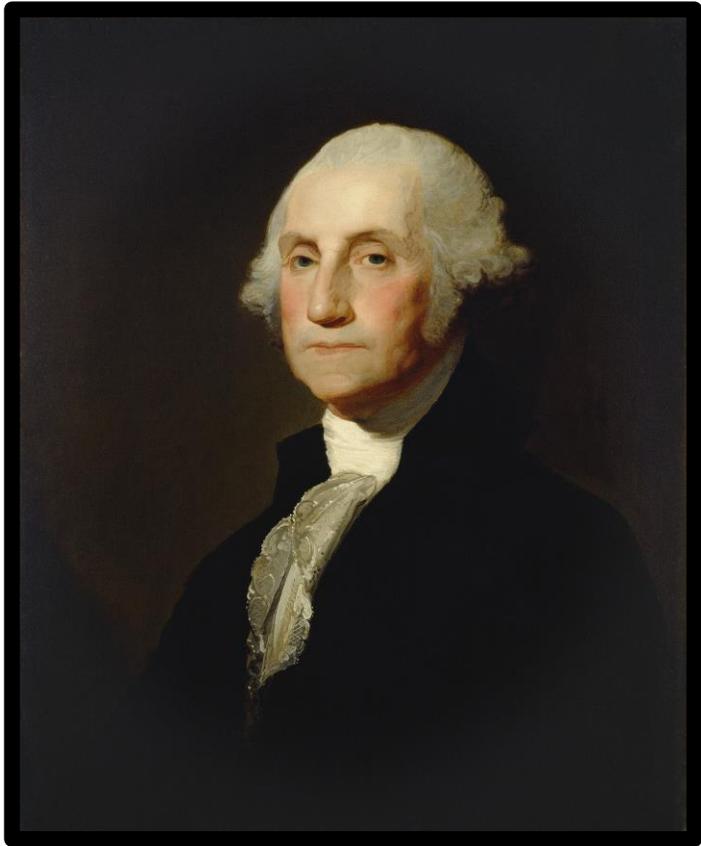

A group of important men went to the Constitutional Convention meetings. Those men are called the **Founding Fathers**.

The Founding Fathers wrote down the government plan. That plan is called the **Constitution**. They made the plan fair for all of the states.

The Constitution said that the leader of the U.S. would be the president. The people would **vote** for the president.

The U.S. had an election to vote for the **president**. The people voted for George Washington. He was the first president of the U.S.

George Washington's face is on some of the U.S. **money**. His face is on the quarter. It is also on the one-dollar bill.

George Washington is called the **Father of our Country**. He was the first president. He was an important leader in American history. He died on December 14, 1799.
