Nick Jonas is a very famous musician and actor. He has a lot of fans. One of his fans is Lily. Do you know anyone who is a fan of Nick Jonas?

Nick is American. He was born in Texas on September 16, 1992. Later, his family moved to New Jersey. Where are those states? What does 'American' mean? What is your nationality?

Nick's singing talent was **discovered** in a hair salon. He was singing while his mother got her hair cut. What does 'discovered' mean? Why do people go to a hair salon? What happens at salons?

Nick's first performance was **The Sound of Music**. It was a musical about a nanny who taught children to sing. What is a musical? Which movies have a lot of music?

In 2005 Nick started singing with his brothers. The Jonas Brothers had a hit song called S.O.S. What is a 'hit song'? What does 'S.O.S.' mean? When might someone say 'S.O.S.'?

Nick has **diabetes**. Diabetes is a disease. Nick tests his blood sugar. He gets shots of insulin each day. What do you know about diabetes? What diseases have you heard of?

Nick was in a Disney movie. It was called **Camp Rock**. It was about summer camp. What is summer camp? What do people do at camp?
