Puerto Rico

Selena Gomez had a job making a movie in San Juan, Puerto Rico. San Juan is the capital of Puerto Rico. What do you know about Selena?

Puerto Rico is an island. There are many beaches. What is an island? What do you like to do at a beach?

There are a lot of **animals** that are sick and hungry in Puerto Rico. Many Puerto Ricans can't afford pet food. What does 'can't afford' mean? What is something you can't afford?

There are **stray dogs** in Puerto Rico. They do not have a home. They do not belong to anyone. What do you think happens to stray dogs?

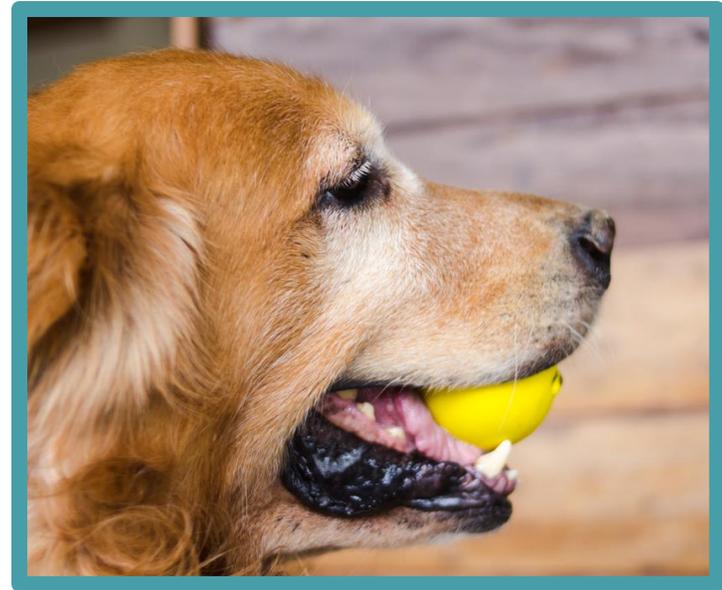

There are a lot of **stray cats** in Puerto Rico. Stray cats do not have a home. Do you know anyone who has a cat? What can stray cats eat?

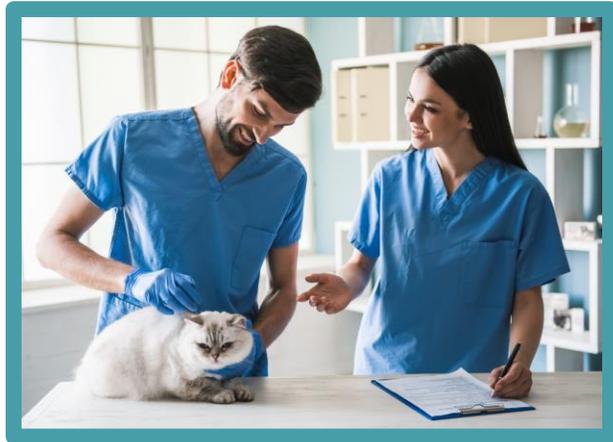

Selena **fed** the stray dogs and cats in Puerto Rico. What do dogs and cats like to eat? Why do you think Selena fed the stray animals?

Selena and her friends cleaned the stray **puppies**. The puppies were sent to an animal shelter to be adopted. How can the shelter find homes for the puppies?

One stray dog followed Selena around Puerto Rico. Selena loved him. She adopted him. She named him **Chazz**. Would you like to adopt a dog?

Selena still helps stray dogs and cats in Puerto Rico. She helps an organization called **Island Dogs**. How do you think they help? What do dogs and cats need?
