Nick Jonas was an actor in a movie called **Camp Rock**. It was about a summer camp. Did you see that movie? What was your favorite part?

**Summer camps** are fun. They are in the summer. What months are in the summer? What do people do at summer camp?

Campers stay in **cabins**. The cabins usually have bunkbeds. Would you want a top or bottom bunk? How do you introduce yourself to people in your cabin?

Each cabin has a **counselor**. The counselor helps campers. Camp counselors rock! What are some questions you could ask the camp counselor?

Campers play games and get to know each other. What games do people play outside? How do you play tag? What are the rules?

At night campers sit by the campfire. Everyone sings songs and roasts marshmallows. Do you know any camp songs? How do you make S'mores?

Sometimes campers tell **ghost stories** sitting around the campfire. Do you know any ghost stories? Some ghost stories are scary, but the camp counselors make it fun. What could you say if you didn't want to hear the ghost stories?

Campers make **crafts** at camp. What is a craft? Friendship bracelets are a craft that is fun to make. What is friendship? What is a friendship bracelet? Who could you give it to?

Taking **pictures** at camp is the best! It's fun to look at the pictures when camp is over. It reminds campers of the fun times at camp. Some campers make scrapbooks. What do you like to take pictures of?
