Dachshund Museum in Germany

Germany-There is a new Dachshund Museum in Germany. It opened on April 2, 2018.

Dachshunds are also called 'wiener dogs'. The Germans call hotdogs wieners. The dogs look like a wiener.

Wiener dogs are from Germany. A long time ago wiener dogs were hunting dogs.

Barbara's son was also the president. His name was George W. Bush.

Two German men had an idea. They love dachshunds. They wanted to open a museum for wiener dog things.

They put figurines of wiener dogs in the museum.

They put paintings of wiener dogs in the museum.

They put a drawing by Pablo Picasso in the museum. Picasso was a famous artist. He drew a picture of his wiener dog.

Adele has a wiener dog! His name is Louie. Many people love dachshunds.

The museum is ready. People can visit the museum in Germany.
