Activity Ideas:

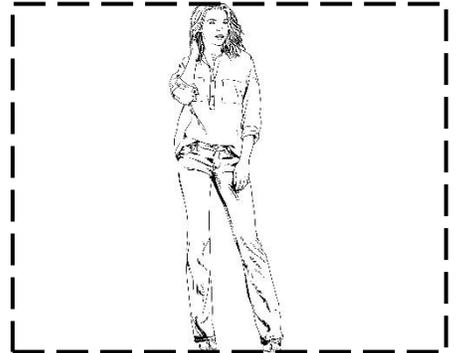

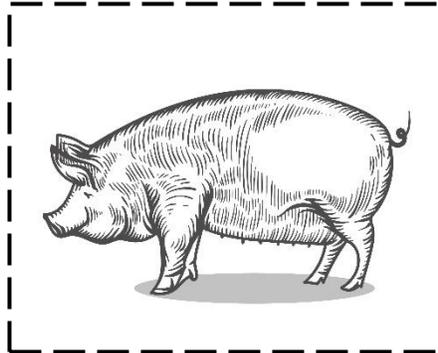

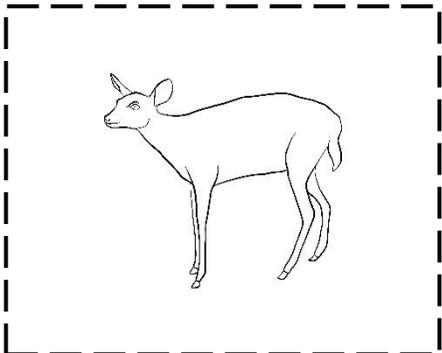

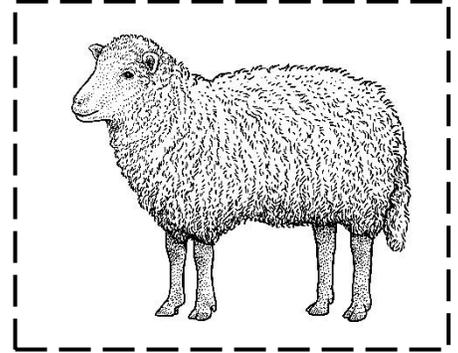

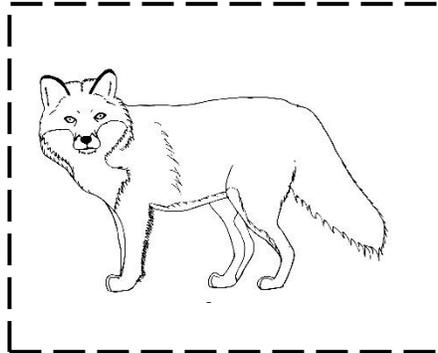

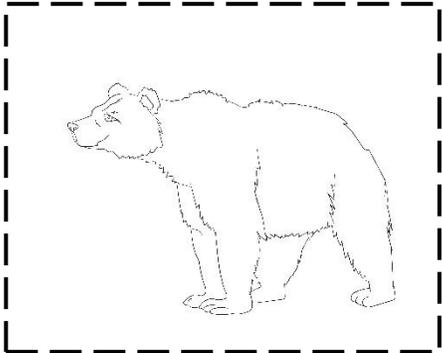

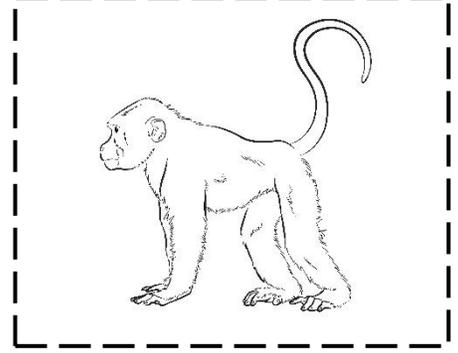

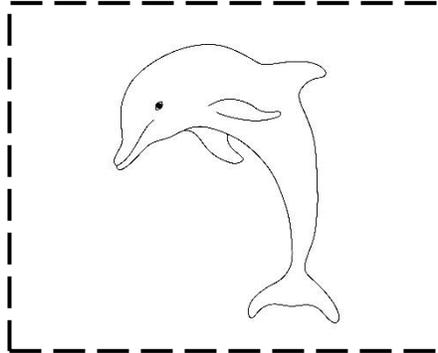

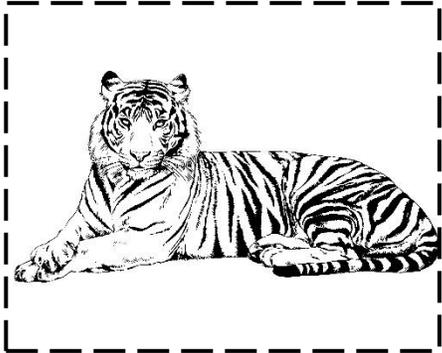

1. **Engagement Activity:** Use the picture activity cards as a game board (don't cut them out). Give each student pennies or other marker. As you go through the ebook, have the student put the penny on the picture that matches the page on the ebook you are working on. To show one picture at a time on the Ebook, use our Teacher Ebook format.
2. Print two sets of cards. Cut and then laminate (optional). Have students play a variety of different card games.
 - Go fish
 - Spread out all cards face down. Play concentration where students flip over to find matching pairs. Have students flip cards over one at a time to find matching pairs.
3. Print two sets of cards. Cut out one set and laminate (optional). The only page is the student board. Project the e-book on the SmartBoard. When an animal is projected on the SmartBoard, the students will place the matching card on top of the correct animal.
4. Print one set of cards. Do not cut out pictures. Project the e-book on the SmartBoard. Have students put a game piece on the animal that matches the animal on the board.
