Problems with Weed Killer

California-Dewayne Johnson worked at a school in California.

Dewayne's job was spraying Roundup outside. Roundup kills weeds.

Monsanto is the company that makes Roundup.

The people who own Monsanto lied. They said Roundup was safe.

Roundup is not safe. Roundup is poisonous.

Dewayne Johnson is very sick. He got cancer from spraying Roundup at his job.

Lawyers are helping Dewayne sue Monsanto in court.

On August 10th they went to court. The lawyers told the jury Monsanto lied about Roundup.

Monsanto got in BIG trouble. The judge said Monsanto has to pay Dewayne \$289 million dollars.
