Hurricane Florence Hits Land!

Carolinas- A hurricane is a storm with wind and rain. The wind moves in a circle.

Hurricanes start when the ocean is warm, and the air is cold.

Hurricane Florence started in the Atlantic Ocean.

Hurricane Florence hit land on September 14th.

The storm hit North Carolina and South Carolina.

People had to leave their homes. It was not safe to stay there.

It rained a lot! Some places flooded.

The U.S. Military helped people.

Many people went to shelters. Hurricane Florence was crazy!
