Aztec Empire

The Aztec Empire was in Mexico.
Mexico was in Mesoamerica.

The Aztecs were warriors.
They fought with other tribes.

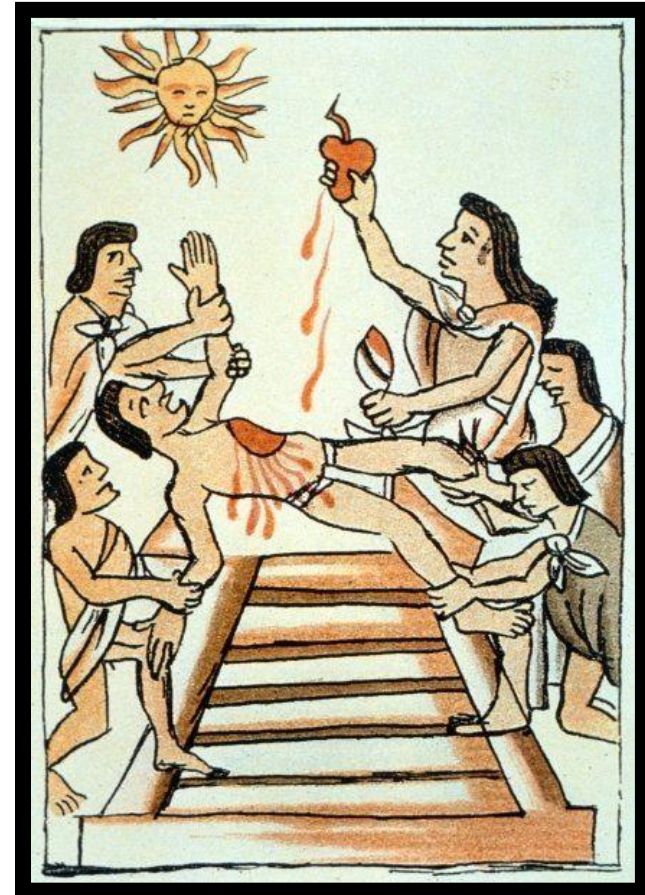

Aztec God: Quetzalcoatl

Aztec Sun God

The Aztecs had a religion.
They worshipped many gods.

Part of the Aztec's religion
was killing people. It was
called **human sacrifice**.

The Aztecs biggest city was Tenochtitlan. It was built in a lake. Today it is called Mexico City.

There were pyramids in Tenochtitlan. It was a beautiful city.

Te Mehí

The Aztecs made floating gardens.
They grew food.

The Aztecs made canals.
They used canoes to travel
on the canals.

Spanish explorers went to Mexico in Mesoamerica. The Spanish and the Aztecs got into a big fight!
