Boston Tea Party

Printable Worksheet Booklet

Activity Ideas:

1. **Reading Engagement Activity:** Print one set of cards for each student. Do not cut out the pictures. Project the Teacher eBook on the SmartBoard (only showing one page at a time). Have students put a game piece on the picture that matches the picture on the gameboard. To study, remove game markers and call out images to have the student put the game piece on. “Put a penny on the bear.”, etc.
2. **Quiz each other with the cards.** Use the cards to study. A student draws a card and then you ask the student a question or the student asks a question.
3. Print two sets of cards. Cut and then laminate (optional). Have students play a variety of card games.
 - Go fish
 - Spread out all cards face down. Have students flip cards over one at a time to find matching pairs. **To modify**, have one set already face up. The second deck is face down. Select a card from the face-down pile and match it to the face up card.
4. Use Activity Cards from two different books the students have covered. Create two piles; one for each book (use the cover of the book to establish the pile category). When the student draws a card, she puts it in the pile that goes with the book. For example, combine cards from mammals and reptiles to sort, or two completely unrelated books like Ancient Egypt and Arizona Symbols book. Make up a point system.
