Paris, France

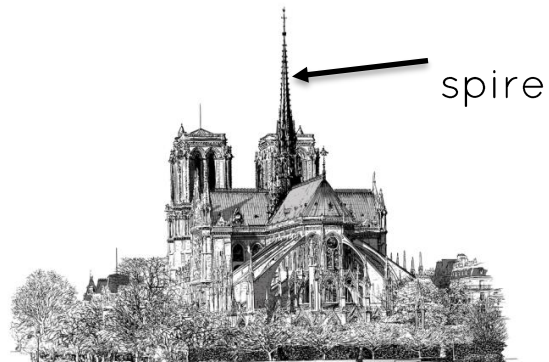

Paris France-The Notre- Dame Cathedral is a Catholic church. It is a Gothic cathedral. Gothic architecture is very old.

The Cathedral is in Paris, France. It is 850 years old! It was built in medieval times.

Construction workers have been fixing the roof of the old Cathedral.

Statues of gargoyles are on the roof. They are part of the Gothic architecture.

Statues of the Apostles from the Bible are also on the roof. They are next to the spire.

On April 15 a fire started on the roof of the famous Cathedral!

The spire on the roof fell over. Firefighters put the fire out. They do not know what started the fire.

Luckily the statues of the Apostles are safe. Construction workers took them off the roof to be fixed a week before the fire.

Many people are sad about the fire at the Notre-Dame Cathedral. People are donating money to fix it.
