Frida was named after Frida
Kahlo. She was a very famous
Mexican artist.

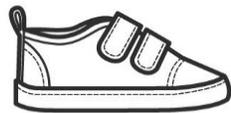

Frida belongs to the **Mexican Navy**. The Navy takes Frida to find people after an earthquake.

Frida is a **search and rescue dog**. She was trained to look for people buried in rubble.

Frida wears goggles to protect her eyes.

Frida walks through the rubble.
She **smells** the ground. She
tries to find people.

Frida **barks** when she finds
a person in the rubble.

Frida saved the lives of at least 12 people. Frida is a special dog!
