Pollution means the water, land, or air is dirty.

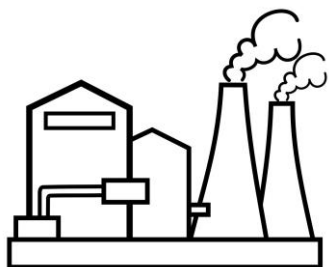

Air pollution is dirty air.
The air is polluted.

Exhaust from **cars** causes air pollution. Exhaust is dirty air.

Exhaust from **airplanes** causes air pollution.

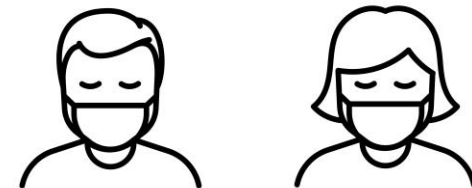

Smoke from **factories** causes air pollution.

Smoke from **forest fires** causes air pollution.

Dusty air from **windstorms** causes air pollution.

Air pollution is bad. It is not healthy to **breathe** dirty air.

People, animals, and plants
need clean air.
